

REMARKS

Applicants respectfully request that the amendments to the specification and the claims be entered before the application is examined.

Amendments to the Specification

Entry of the substitute paragraphs before examination of this application is respectfully requested. The changes merely correct typographical errors in the term "Ga16", which was inadvertently written as "G 16" in the specification. The correct term, " Ga16" is present in some instances in the specification, for example on page 38, line 34. The correction of the incorrect terms to "Ga16" does not add new matter.

If there is any fee due in connection with the filing of this Preliminary Amendment, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
